Default Question Block

This survey is for the Spring 2027 semester, with an additional Winter 2027 section if you want to teach over the intercession too. Please provide as much detail as possible. If we missed anything, you can type it into the "Is there anything else you would like us to know" question at the end of the survey. Thanks!

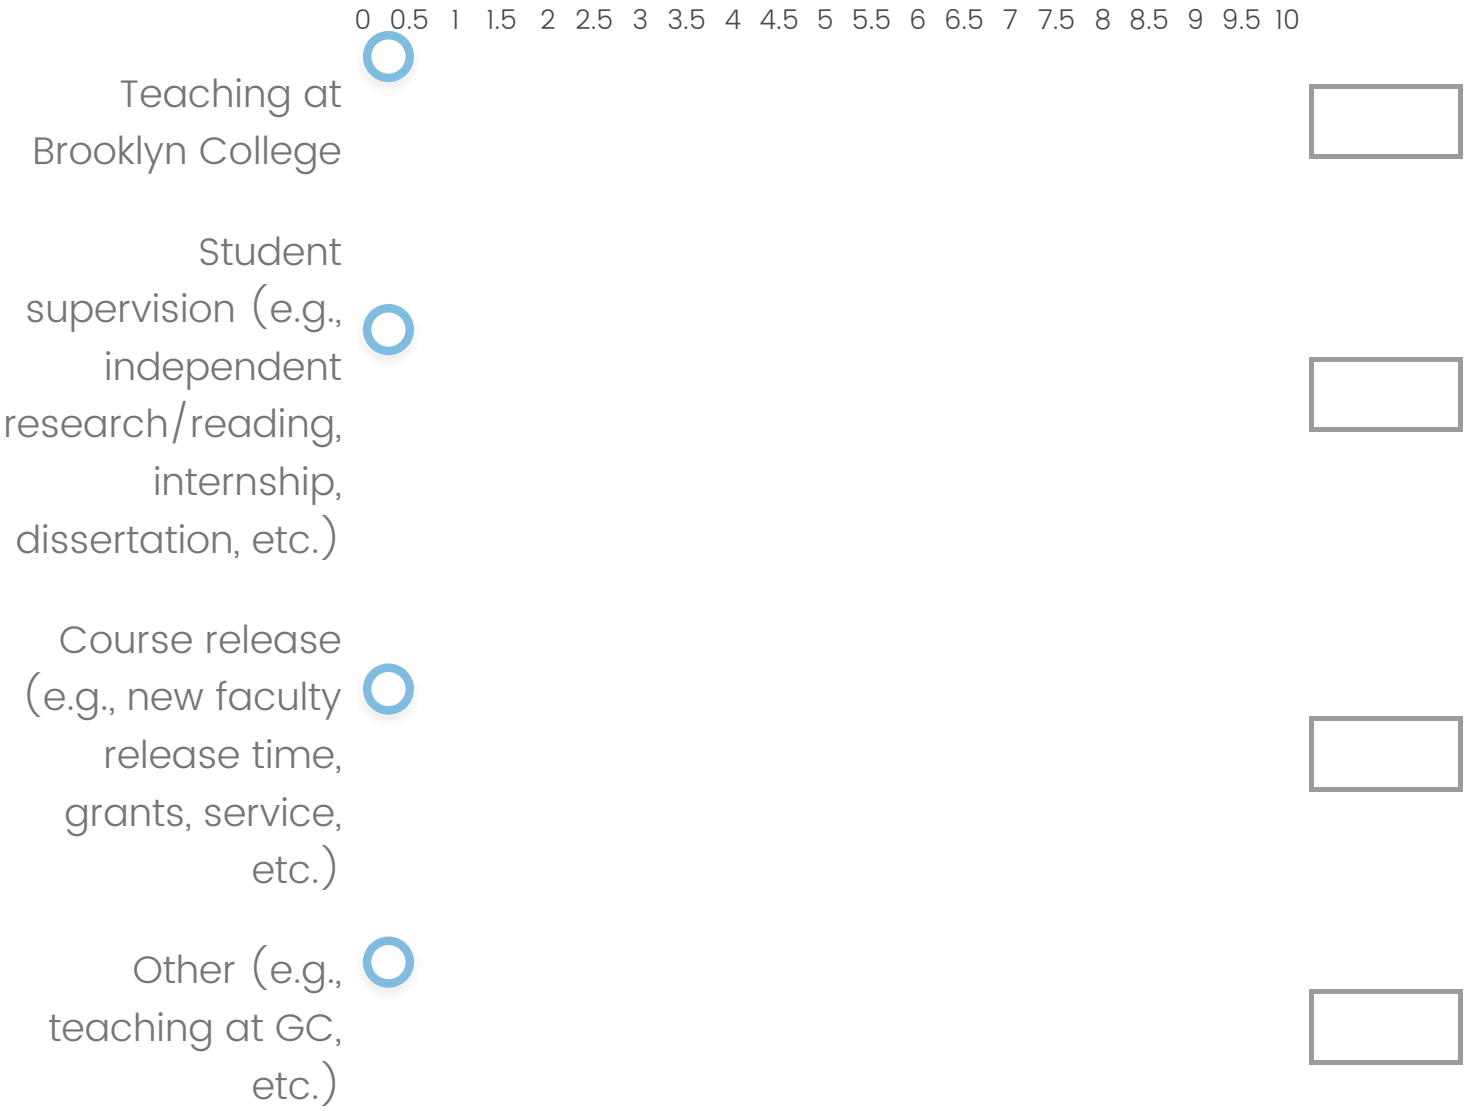
What is your name?

Do you anticipate teaching during the Spring 2027 semester?

- ○ Yes
- ○ No

How many workload credits do you anticipate getting from the following sources during the Spring 2027

semester?



What is your preferred teaching modality? We are moving the majority of courses in-person and are still working under the college rule that at least 1 course per semester must be in-person unless you have a HR waiver. Note also that online courses are expected to have an in person final exam.

- ○ All in-person
- ○ A mix of in-person and online
- ○ Prefer online as possible

Note that the online courses have an in-person final exam.

Online synchronous final exams will be held during the respective time slot associated with your bell code (e.g., EW6, etc.).

If you want to teach an online asynchronous course, let us know when during finals week you are available and prefer to hold the exam (see calendar here: https://www.brooklyn.edu/registrar/academic-calendars/). Exact day/time is handled by scheduling, but we can submit a request for your preferred day/time.

The exam time slots are 8-10 am; 10:30-12:30; 1-3 pm; 3:30-5:30 pm; 6-8pm; 8:30-10:30 pm. The late afternoon and evening slots are generally easier to book.

Which classes do you want to teach? Please list the class(es) in order of preference and any other notes in the forms below (e.g., jumbo section, master's class, doctoral class, etc.). List as many as you'd like. If you can use the course number too that would be helpful (thank you!)

What days/times are you available to teach? Any preferred?

Feel free to just list day/time ranges, but please ensure they cover standard bell codes as scheduling requires us to fit the classes into these standard bell codes. You can view the bell codes here: https://employees.brooklyn.edu/base/fall-and-spring-bell-codes/

Do you want to teach during the Winter 2027 intercession? Note that Winter teaching counts toward your annual workload.

- ○ Yes
- ○ No

For the Winter intercession, what class(es) do you want to teach, and what day/time and format? And if online, when do you want to hold the in person final exam?

Is there anything else you would like us to know?
